

iM Global Partner hires new Director of Distribution in Italy, Ticino and Greece

Paris - June 3, 2024.

[iM Global Partner](#) (iMGP) has appointed a new Director of Distribution responsible for Italy, Ticino and Greece.

Francesca Campanelli has extensive experience in asset management and, more recently, in fintech. She was previously Chief Commercial Officer for Axyon AI and Head of Product Development for Quaestio Capital.

Francesca started at Allianz Global Investors as a fund selector and portfolio manager and then worked for BlackRock as senior sales and as Country Manager for Muzinich & Co. She has an MSc from The London School of Economics and a PhD in Financial Economics from the University of Rome Tor Vergata.

She will be based in Milan and report to **Julien Froger, Managing Director - International Distribution**.

“We are delighted to welcome Francesca who has many years of experience in asset management, as well as in new technologies such as AI. With strong relationships with many investors in Italy and Ticino, her focus will be on developing our business and promoting our Partners in the region,” said Julien.

Francesca added: “I’m very excited to join iMGP, an innovative and strong company with a passion for asset management and entrepreneurship. The iMGP team and the Partners are fantastic and I look forward to working with them”.

About iM Global Partner

iM Global Partner is an asset manager with a difference. We are a dynamic network of specialist boutique investment managers, delivering best-in-class solutions, across asset classes, to our discerning Institutional and Professional Investors across the globe. We are proud to call these businesses our Partners and they are the essence of what iM Global Partner stands for: uncovering what we believe to be the best, the very best investment talent. We had around USD \$45 billion assets under management as of end April 2024.
